A Note to Parents:

In order for applicants and parents/guardians to be fully informed of the REQUIRED time commitments that accompany participation with the Maid Marian Court, we require at least one parent/guardian accompany their daughter to the interviews. If an applicant's parents/guardians are unable to accompany their daughter to the interviews on 4/5/08 we require you to contact the court chaperone, Pamela Turenne at 503-625-2830 to make arrangements for your daughter to be interviewed without a parent/guardian present. Regrettably, if an applicant arrives to the interviews without a parent/guardian present and does

not have prior approval to interview alone, we will not be able to include the applicant in the interview process for this year.

Thank you.

We are planning fun activities to get to know one another besides getting the girls involved with the community. These girls will be role models and ambassadors for their community and hopefully will make some new friends along the way. Signing below acknowledges such commitments and signs you both up for a summer of fun!
